44TH ANNUAL REPORT - 1974 SEASON

Gentlemen,

Your Executive has much pleasure in reporting upon those activities and high-lights of the Club during the season recently concluded not already covered in the Highlights and Comments in the latest issue of "The Galloper's Gazette".

COMPETITION RESULTS

The 1974 Season was a vintage one, like those of recent years, and probably the greatest achievement in depth in the Club's long history. The detailed results appear later in this Report, and we note with much pride that all 7 teams made the Finals, 6 of these played in Grand Finals and the "Glorious Fourths" took their Grand Final Honours in great style.

Our Fifth Grade side, playing in this new competition, warrant a special mention as mostly ever-young players, and eventually only losing the G/F 15-16; it is with pride also that we record that the trophy for the new Fifths competition was donated as the Col. Kaus Cup, by C.I.R. Kaus, our stalward Life Member.

CLUB HOUSE

The Back to Finsbury after the games tradition was well maintained, albeit, we would like to see quite a few more along and more regularly. On the other hand, the crowd on G/Final night was the greatest ever - a great thing to see and to feel the Club Spirit as a living thing. Three notable items about Sunday nights at Finsbury are the much appreciated food supplied by the Ladies Committee, the smooth supply always of liquid refreshments at the hands of "Buff" and his willing helpers, and the number of appreciative members of other Clubs, and the Referees, too, who come along many as regulars. The numerous overseas Clubs we hosted during the Season, including the English Schoolboys and their officials, Santa Rosa from California and James Bay from Canada together with a number of N.Z. Teams praised the atmosphere so evident as representing that unique part of Rugby, the "Third Half". We must take care that we transplant it successfully when one day a new Club House comes into being.

Special mention is made of two items, firstly the tremendous

and sometimes risky physical efforts of a band of Club Members to save valuable club property and to the big clean-up afterwards on repeated occasions during the January/February floods, and secondly the vigorous and considerable work which has been done and is still in progress by our Ways and Means Committee in the pursuit and development of a new Club House concept. There are good grounds for hope to be able to report to Club Members on this subject in the near future.

FINANCE

The report of the Treasurer, together with the accounts, appear later in this Report.

It is worthy of special mention again that the financial expansion of this Club to a position of quite a large business, with substantial invested monies and assets, is indeed a tribute to our Treasurer, and also his immediate predecessors, those Ladies Members, and Supporters who work so magnificently to raise funds, and those Parents and Supporters whose cash gifts to the Club are so much appreciated.

The fact that our finances are in the situation shown is evidence of how "Jeeps" people rallied to help the Club weather well the considerable financial costs and losses occasioned by the floods.

THANKS

The Club is indebted to the following people and groups for their valued assistance throughout the year:-

The Coaches and Selectors, namely Dick Roberts, Tony Roberts, John Small, Jeff Young, David Clark, Brian Short, Tony Wesley, George Bickerstaff, Doug Wright and Onus Maynes.

The Team Captains, The Team Managers, and their special assistant, Doug Forbes; The Junior Co-ordinator, Onus Maynes, for a great job among our Juniors.

Ross Mortimer and Graham Edmonds in their respective capacities of Hon. Club Solicitor and Hon. Auditor.

The residents of "Park Avenue Winery" for their many acts of hospitality and assistance to the Club.

Peter Jorgensen of Gold Crest Cricket Club and now also an

Hon. Member of this Club for his great assistance during the floods and since.

The Club Members who coached teams of our Affiliates, Ascot-Clayfield Junior R.U. Club.

Mrs. Helen Bernays for acting as hon. typist to the Club Secretary, and to Miss Marlene Hancock for her typing help also for the Club.

Les. Dodwell and Dudley Dick for their separate, special and successful efforts in the fields of fund-raising, and food.

The Members who took part in selling Doubles and Raffles throughout the year.

The Members and Supporters who so kindly billeted overseas visitors in their homes.

The Donors of the trophies at our Annual Presentation, the Donors of wines and spirits for our very successful Basket Raffle on G/F day and the Donors of liquid refreshment for post G/F celebrations, and other Club Supporters without whose financial help we would not be able to function so well.

Jim Toohey, Barry Abrahams, Bob Bennett and Ivor Colquhoun for their practical assistance in regard to the Club premises and furniture.

The Club Registrar, Ron Park, for yet another year in his long and arduous task of compiling and maintaining the Club's records.

Max Roberts, Allan Weller, Kim Weller and Brian Weller for the use of their well-known hotels in our fund-raising activities.

The season's most consistent Supporters over all grades, Mrs. Bronwyn Clark, Ron Park and Mrs. Eileen Park, Miss Eleanor Brown, Hugh Mackay-Payne and Miss Bronwyn Mackay-Payne and also Ricky Roberts.

Buffoon of Buffoon Enterprises and his great gang of helpers for their untiring efforts in the fund raising field and also in the Club House.

The Ladies Committee for the functions organised by them throughout the year and for the good eats provided at Finsbury.

Mr. Brian Loel for his much appreciated support of the Club and in particular, his contribution in the laundering of the Club's jerseys.

Mark Williams, always ready to lend, deliver, personally help use and cart away again his considerable range of equipment.

Bob Templeton for his special and valued coaching visits.

The Referees for their much appreciated fellowship and advices on Rugby Terms.

GENERAL

It has been another great year for the Club. This has been made so by the Members and Supporters themselves, and it is very apparent that the two-way traffic activity by the Club Management and Members/Supporters, essential to further success, is there to continue.

Very proudly, as your President, may I express my warm thanks and admiration to Club Members, Officials, Supporters and Members of the Committee for all they did to make it such a year.

D. Lacy Jones
For the Committee.

FIRST GRADE REPORT - R.S. ROBERTS

Another season, another slow start and another grand stand finish which is so typical of the Galloping Greens.

This season as in so many other years, we looked like wooden spooners in the first round and slowly started to improve to the stage where we very nearly won a premiership. In my memory, it would have to be the best season the Club has had with exciting games played against club teams from New Zealand, Canada and California plus a memorable trip to Rockhampton and four teams in the Grand Final.

Perhaps 1972 was a better year in that the first grade won a Grand Final but for sheer Rugby exposure then 1974 will be hard to equal.

The following First Graders are worthy of mention:

"Membrane" Armstrong for his mobility around the field and his contempt for injury.

John Garde for the fire he put back in the pack when he came back to first grade.

Peter Sinden for his ability to lose his gear and his tight play, vigour and potential.

Steve Lonie as the best mauler in the business.

Jack Evans for his foraging and slowness in ducking his head.

Buff "Kamakazi" Thomson for his bodily co-ordination but more important his courage.

Boy Nerichow who if he played consistently like he did in the Grand Final would undoubtedly play for Australia.

Buzzard Brand the quiet artist in the team who WILL play for Australia one day.

Ian Whittle who is tireless in his pursuit of the elusive "quim" but who works even harder on a football field supporting the ball.

Denis Cronin our winger-cum-flanker for his destructive tackling and mobility.

Mac Lamond for his big heart and his tiger and because Hugh Courtney is rapt in him.

Rob Timperly for his long service and for being the smallest and most battered half in the comp. (and also for having the horniest looking bird).

Dugal Clark who made THE comeback of the century to be playing better football than he ever has.

Shambo Shambrook who tackles everything above a blade of grass and who WILL play for Australia NEXT SEASON.

"Young Matty" Greagh who hated being dropped and then proved the selectors to be wrong.

Brevor Jessor for being the most understated centre in Queensland.

Jack Johanson for his sheer elusiveness and speed and because he played out of position all season (so Frank reckoned).

Lloyd Graham for his towering punts and because Barry Teal is rapt in him.

Dick Bernays the only back we have who, actually, has a side-step seemingly built into one knee.

Denis Boucher who was so surprised to be picked in five first grade games that he was shocked speechless. (These are the only five games recorded that D.B. did not run off at the mouth).

Professor Marshall for his dedication and clinical approach.

Doug and George for their help and for copping some of the blame when we were going bad.

NOTE: Of the five players of the year for the state, Greg Shambrook was selected from G.P.S. Of the five most promising players selected for the State, from G.P.S. were:

Graham Brand, Jack Johansen & Peter Sinden.

SECOND GRADE REPORT -- A. ROBERTS

The seconds played 24 games this year, winning 17, drawing 1 and losing 6. The team made the Grand Final and after leading 7 - 0 ended up down 10 - 18.

In all, 56 players turned out for 2nd grade, and only 14 played 10 or more games. Bill Shulte played 22 times for the seconds (having played 17 out of 20 last year) and Graham Maskell played 21, having played all 20 last year. Without a doubt, a great deal of this year's success is due to a solid nucleus of players who not only rarely missed a game but also didn't miss training, namely Bill Shulte, Graham Maskell, Gavin Clayphan, Peter Evans, Mick Thiess.

In addition to these 'old boys' the Club was pleased to welcome to the open ranks players such as Gerald Keating, Derek Markwell, Duncan McInness (who travelled 480 miles a week to train and play), Bob Marshall, Kevin Silver, Dave Blackford and Noel Williams.

Farmer Brand, one of our many top grade props - when most clubs don't have any - was probably robbed of consistent 1st grade appearance because of work commitments. David Abernathy, who started off in the 1st, and then was a welcome addition to the 2nd, had to give away the serious stuff because of study pressure - was enticed out of retirement only to come down with leprosy on the eve of the Grand Final.

To give the praise that is warranted would require stamina beyond that of the writer to write and the reader to read.

The second grade trophies were:

Best and Fairest	-	Bill Shulte
Best Forward	-	John Garde
Best Back	-	Gavin Clayphan

In addition, Dave Blackford was awarded the club trophy as best colt.

On the point scoring side, Gavin Clayphan scored 106 points for the season, and Kevin Silver, with 13 great tries, lost the highest try scorer for the club by one.

THIRD GRADE REPORT - J. SMALL

The shouting dies, the crowds disperse and suddenly the silence is deafening, as we all hang about wondering what the hell to do with ourselves on Tuesdays, Thursdays and Sundays. What a let-down it is, to work all season towards Grand Final fever, then suddenly someone switches off the lights and that's it for another year. So it becomes the time to be retrospective and introspective.

It was a great year for the Thirds. Two trophies, the Minor Premiership, runners-up in the Grand Final and a for-and-against record of which any team anywhere would be proud. It was a great pity to lose the last one, the big one, but I reckon we can call ourselves justifiably the best third grade side in Brisbane and we know we would win that Grand Final any other time it was played. Among the tragedies were the losses of Drew Abrahams and that evergreen Professor of Football, David Clark, during the game, and the leg injuries carried all games by the Tank, who must win awards for guts when they are handed out. Not to mention the internal bleeding suffered by all who saw the look of resignation on David Park's face as he saw yet another chance for his first premiership slip away. Looks like you'll have to back up in '75, Parky. And Kel Boys' training injury that cost us his brilliance for the rest of the season.

Some great football was played by the Gallopers Thirds. Who can forget the display of wet-weather brilliance at Toowong, particularly Butch's try that started with the Clark brothers under our own posts, and Don Knowles' cries of "here we go again!" each time the backs fed him such beautiful ball. Or the determination that blew Brothers apart after the Clark episode was drastically re-arranged in the first half. Or the twelve rucks to nil in the first half of the semi against Uni that paved the way to the Grand Final. Many such moments keep coming to mind, and will continue to remind me that this was a great season for us and one of which every member can be proud.

We particularly enjoyed preparing some unknowns for higher honours. Some who had their football thinking set right before going on to higher grades were Dugald Clark, Steve Lonie, Jack Evans, Peter Evans, Dave Blackford, Dick Bernays, Don Knowles, Noel Williams, Bob Dove, Lyn Jones, Mick Thiess, Derek Markwell

and Rob Marshall. We even gave a polish-up to the likes of Bill Schulte, Farmer Brand, Eddie Kann (must see Doug Wright about that), Gavin Clayphan and of course, the unbiased Doug Wright. Buffoon almost made us, and Dennis Boucher and Cam Osborne left us for some time to set right the struggling First and Seconds, then came back when their job was done.

My thanks for giving me such an enjoyable season go to Captain Frank Ellis with whom I was proud to be associated, to the silent twins Boucher and "Monthly", and to David Clark for all their help, and to all members, part and full time, of the Thundering Thirds. Congratulations to best back, 'Tank' Asprey, best forward, 'Doc' Osborne, and best and fairest, 'Elbows' Ellis and commiserations to near-trophy winners, 'Modesty' Abrahams, and 'Mouth' Boucher. Thanks to John Madden (he defected, but has returned much wiser) and Doug Forbes (a great club man), and zero to the Roberts boys for continual theft of talent, Young for refusing to let ME steal any, and the selectors for turning a blind eye to my severe trials and tribulations. Greatest thanks to my chauffeurs, without whom I could not have coped, particularly Raincoat and Membrane and Professor Marshall to whom I may owe my life, certainly my freedom.

Next year? I predict 6 premierships to the Gallopers, and hope as much enjoyment comes to all club members as did to me this year.

FOURTH GRADE REPORT - G. YOUNG

The 1974 season was one of the most successful seasons the fourth grade have had, culminating in winning the premiership again.

The season started quietly with a few wins and a draw against Teachers, at Easter time. In the first round, fourth grade won all matches except against Brothers. In that round some very exciting new players went through fourth grade, Dugald Clark, Lloyd Graham to mention a couple. This round also saw the welcome return to football of Doug Wright and Eddi Kann, both of whom were a tower of strength to the fours all season.

The second round proved our most successful with wins in all matches. The most satisfying victory was that against Brothers, it's always good to beat the Brethren.

The third round was quite successful with wins in all matches except against Brothers. The competition thus came to a close with much being said about Brothers first grade getting over 500 points for. Fourth Grade, however, can also boast such a feat with 521 points for to 90 against, a most impressive performance.

Much has been written about the semi's already, and it would be sufficient to say that the successful semi's and Grand Final was a guts effort. In those successful sides the fours also welcomed back Bill James, Peter Bissett (back from England), John Armstrong and Bruce Mackay-Payne (from retirement).

Throughout the season there was some memorable performances, many by David Park and Eddi Kann and Doug Wright, David being unlucky enough to be promoted to third grade at the end of the third round. Peter Stanton also turned in some great performances scoring something like 40 points in one match. Peter scored 100 points for the season. The old raincoat discovered another 10 years football at breakaway and turned in some good performances.

A special thanks must go to the members of fifth grade, their competition only starting this year and only a short one, for consistently training and capably plugging the holes left by promoted fourth graders. Without the dedication of these fifth grade players, the success of the fourth grade and the whole club in general could well have been quite different. A Big Thanks to you from the Fours.

Fourth Grade awards were won by Doug Wright - best forward, Doug Stephens - best back and Eddi Kann - best and fairest. A big thanks to all the many blokes who played fourth grade this season and Reg Cowles, our Manager - everyone stuck to their guns well, right to the end. I hope that I can return next season to coach another fours side. Thanks!

UNDER 19"A" TEAM REPORT

Regular members of this team were:-

Graham Noon, David Jackson, Peter Burrows, Don Regeling, Peter Garbett, John Sackson, Bruce Rathie, Duncan Cornish, Bruce Hexley, Sean Mowen, John Schwartz, David Hillhouse, Peter

Devenport, Dougal Ethell, Paul Persijn, Andrew McIntyre and Alan McPherson.

After an intensive pre-season training programme under Brian Short and a number of trial matches, the Under 19 "A" team launched into the season in great style. The team won the first 3 matches in succession and included in their victories a win over the highly fancied Souths "A" team.

However, after the early season successes, the team had a dramatic slump in form which resulted in their losing 4 out of the next 5 matches. While the reason for this reversal could not be attributed to any one factor, the fact of losing captain Graham Noon through a recurring injury, a mental let down after the earlier successes and an unsettled coaching situation due to Brian Short having to return to his school commitments could all contribute to the situation. Also during this period we were committed to play 2 games without the members of the team who had State Under 19 commitments.

This situation was again reversed following the taking over of the coaching position by David Clark. The team developed a new found spirit and improved their game with every match, with the result that they won 5 and drew one of the remaining 6 competition matches of the season. Fortunately for the team Graham Noon was able to return from injury and play all games in the last round.

The team finished the 3 competition rounds of 15 games in second place behind the competition favourites Souths and went into the first semi-final against that team. However, Souths were the stronger team on the day and emerged easy victors after a scrappy game. As a result of this loss the team was committed to play in the preliminary final the following week and after some harrowing moments against a very spirited Teachers-Norths team, emerged victors to the tune of 18 points to 15.

The team entered the grand final against Souths the following week in an extremely confident mood after 2 good wind-up training sessions. This game proved to be of a much higher standard than the first semi-final against that team and the game was very close throughout. Both teams played extremely

well and in particular the Jeeps team did everything that was asked of them. However, when the full time bell sounded Souths had won the game 16 points to 13. It was a very even game and a draw perhaps would have been a more fitting result. Each team scored 2 tries, a conversion and a penalty goal and the difference was a field goal kicked by Souths during the second half. The G.P.S. team were extremely unlucky in that they had what appeared to be a try scored beside the post, disallowed as a "bounced ball".

However, it was a very fitting end to the season and the club members can be proud of their performance particularly in the grand final.

The effort of Graham Noon to return to the team and continue playing while at the same time carrying a nagging shoulder injury deserves full marks. David Jackson led the forwards well and turned in many "gutsy" performances himself. The top points scorers for the team were Don Regeling and Sean Mowen who between them scored more than half the teams tries and when he played Graham Noon's kicking boot contributed a number of points.

We all hope that the members of this fine team continue their football careers with our Club as they all have much to contribute to the club's future. In addition they themselves will derive tremendous benefit from the comradeship and associations that will be made through membership of G.P.S. Old Boys Rugby Union.

UNDER 19 "B" TEAM REPORT.

Regular members of this team were:-

Andrew Norris, John Spillsbury, Steve Atkinson, Ian McNaughton, Bruce Pascoe, Gary Power, John Sackson, Tim Kennedy, Harley Cowlshaw, Don McMillan, Quentin Carter, Blair Atthow, Rick Whitton, Ken Bolton, Mark Barry, Gary Boyd, Simon Kennedy and Rick Smith.

This team had a very inconsistent season. At times the team played extremely well and at other times, not so well despite the obvious talent that existed amongst its ranks. Perhaps a contributing fact was the fact that a number of team members had

study commitments and were unable to commit the necessary time to team training. However, the team did reach the semi-finals in their division but were unlucky to get knocked out in the preliminary final. However, a number of the players in this team were under 18 and this will assist in providing a strong base for next years under 19 side.

Second rower Blair Atthow was selected in the State Under 18 team and we hope that the improvement shown by him during this year will continue into next year. Andrew Norris led the team well but at times lacked the support of his team members. Steve Atkinson, Gary Power, Tim Kennedy, Don McMillan, Mark Barry, Ken Bolton had good games from time to time as did most of the other members of the team. However, failure to perform consistently possibly robbed the team of higher honours during the season.

We do hope that all members continue to play with the club next year, particularly the under 18 members of the team who we look forward to representing us in the Under 19 team next year.

TREASURER'S REPORT - R.A.Bernays

I present for your consideration and adoption the Club's audited Balance Sheet and Income and Expenditure Statement for the year ended 31st October, 1974.

The Club is in quite a sound financial position and should go from strength to strength. From a fund raising point of view, the year has not been as successful as it should have been. Too much of the work is having to be done by too few and in view of a coming overseas tour and proposed new Clubhouse, more members will have to become involved with their Club. It is a pity to find some Club members still owing money for shorts and socks. It is also regrettable that a large proportion of players have to be hounded before paying their subs and other debts. The soft drink machine certainly proved its worth in putting a stop to the old "drink now and pay later" system.

The January floods set the Club back several hundred dollars, not to mention the farsical \$125 flood levy imposed by the Q.R.U. Touring teams from New Zealand, Canada and The United States sapped the Club's liquid resources to the extent of 150 gallons.

Receipts for the year totalled \$25852 while payments amounted to \$20753. Thanks to the Rockhampton touring team, funds were boosted by \$150, being third prize in the Country Carnival. This money, less the cost of one air fare, has been set aside to a touring fund reserve for a future tour.

Congratulations to the Ladies' Committee for increasing their bank balance by \$326. Their funds now total \$408.

It has been a pleasure working with such a devoted Committee, led by such a fine and able President.
