45TH ANNUAL REPORT — 1975 SEASON

Gentlemen,

Your Executive has much pleasure in reporting upon those activities and highlights of the Club during the season recently concluded not already covered in the latest issue of "The Galloper's Gazette".

COMPETITION RESULTS

This was another really great year for the Club, and once more our great strength in depth was well in evidence as the detailed results appearing later in this Report and the Trophy Pennants in the Club House show. With all four Club competition teams making the Finals, three of them the Grand Finals, the magnificent Premiership win by Reserve Grade, the winning of the Club Competition itself and our Representative selections, we can indeed feel proud of our players and their coaches. Our Club Premiership represents a great joint effort involving probably some 70 players, 4 Coaches and the Selectors. Our Fifth Graders enjoyed themselves as is their custom, winning a respectable total, and it was great to see their own particular depth of available players.

Our two Under 19 teams did very well, with the B's almost making the semis, and there is much talent amongst these young players; pleasing State Representation from their ranks was a notable feature too.

I would very much like to see more Supporters along on Saturdays during the playing season to help lift the Under 19's to even greater efforts. It really does help tremendously to have support.

We are especially proud too of David Hillhouse in his Wallaby selection, and there is no doubt that by the A.G.M. we and the rest of the Rugby world will have seen and heard great things of our "Hector". At time of writing he has already "played the big one" in the Oxford game.

CLUB HOUSE

The Clubhouse, its atmosphere and traditions, mean much to all of us and, very obviously, this atmosphere of a true Rugby Club is much admired by Visitors from other Clubs, Interstate and Overseas.

The subject of our proposed move involving a new Clubhouse and bigger and better fields, etc. is the subject of a separate report. Suffice it to say here that the proposal bears both my earnest recommendation and a categorical assurance that very great care has been taken in the planning and design to maintain in detail those things for which we all have so much affection at Finsbury.

OUR LATE PATRONS

Within the span of a few months we suffered the very unhappy loss of our great successive Patrons, Arthur Dibdin and Harry Edwards. Great G.P.S. men, great Rugby men, great and generous friends to so many.

Our tributes and deep regrets have been expressed in personal channels and in issues of "The Galloper's Gazette".

FINANCE

The report of the Treasurer, together with the accounts, appear later in this Report. It will be apparent that the financial ramifications and activities of the Club have placed it from some years past in the category of quite a substantial business. That we are able to operate so successfully on this scale is a tribute to our Treasurer, his predecessors, the Ladies, Members and those Parents and Supporters who do such great work in raising funds, supporting the Club on Sunday nights, and in making cash gifts, and we very much appreciate what they have done.

A dark cloud in our finance sky, however, is the matter of Subs payments by players. The Executive proposes to the A.G.M. subs as low as possible (and, to date, below those of most Clubs, it seems), yet the greatest difficulties are experienced in getting them paid. Players subs collected annually, in total barely cover the cost of jersey purchases and maintenance, and it will be a big help to the coaches and the Executive alike if this matter can be improved substantially; strictly speaking, subs become due and payable on the date of the A.G.M.

THANKS

The Club is indebted to the following people and groups for the valued assistance throughout the year:—

The Coaches and Selectors, David Clark, Tony Roberts, John Small, Ron Goody, Dick Roberts, Ian Farquhar, Onus Maynes, Tony Wesley, Mark Asprey, Glen Arundell, Ron Park and Wren Bligh.

Lloyd Graham, the Club Captain, the Team Captains, the Team Managers, and those special men Doug Forbes, Peter Marshall and Bill Alvers. The Junior Co-Ordinator, Onus Maynes.

Ross Mortimer and Graham Edmonds in their respective capacities of Honorary Club Solicitor and Honorary Auditor.

Peter Jorgensen for his considerable assistance and co-operation. The Club members who coached teams of our Affiliates, Ascot-Clayfield Junior R.U. Club. (Refer Mr.L.H.Dodwill's Report). Dudley Dick for his culinary skills.

The members who took part in selling Doubles and Raffles, and worked in the Clubhouse and on the field so willingly and often. Many of these great workers are young Members who responded magnificently to a request for general help early in the season — Great to see that response, maintained initiative and effort.

The members and supporters who so kindly billeted overseas visitors and those who had functions in their homes.

The Donors of the trophies at our Annual Presentation and the Donors of liquid refreshments and cash, without whose generosity we would not be able to function so well.

Jim Toohey and Barry Abrahams for their practical and generous assistance in regard to the Club premises.

The Club Registrar, David Park, for his arduous job in compiling and maintaining the Club's records.

Our Historical Committee of Leon Charters, David Park and Reg Cowles for their start in the huge job of collecting early information about the Club and its members.

Max Roberts, Allan Weller, Kim Weller and Brian Weller for the use of their well-known hotels in our fund-raising activities.

The season's most consistent supporters over all grades, Mrs. Bronwyn Clark, Ron Park and Mrs. Eileen Park, Hugh Mackay-Payne, Glen Walker, Bert Lonie, Tom and Mrs. Abernethy, Frank and Mrs. Parkes, Mrs. Susan Mortimer, Mrs. Forbes, Mrs. Libby Roberts, Miss Bronwyn Mackay-Payne and Mr. and Mrs. Guy Short.

Buffoon of Buffoon Enterprises and his great gang of helpers, notably Bruce Pascoe, Brian McClenahan, Peter Stanton, Lyn Jones and Richard Bernays for their untiring efforts in fund-raising and also in the Clubhouse.

The Ladies Committee for the functions organised by them throughout the year, the good eats provided at Finsbury and their magnificent cash gift to the Club, from which the Glass Washing Machine was purchased.

Les Dodwell for the untiring efforts he made to build and maintain the important bridge between Ascot-Clayfield Parents and Players and G P S

Brian Loel for his greatly appreciated support of the Club and in particular, his contribution in the laundering of the Club's jerseys.

Eddie Kann for his great work with "The Finsbury File" — It did a lot for the Club — Players especially.

Dennis Boucher and Lloyd Graham as very good Editors of "The Galloper's Gazette".

Graham Lawrence for his continued donations of printing material and also as the organiser and bursar of the "10% for G.P.S." Casket winnings stemming from "The Friday Gang" luncheons.

Mark Williams, unfailingly there to lend and transport his wide range of equipment.

The Referees for their much appreciated fellowship and general Rugby advice.

GENERAL

Another very great year for the Club, made so again by the Members and Supporters in continuing practice of that vital two-way traffic among Club Management and Members/Supporters.

Once more, and even more proudly if that were possible, as your President I express my warmest thanks and admiration to Club Members, Officials, Supporters and Members of the Committee, for all they did to make it such a memorable year.

D. Lacy Jones
For the Committee

STATISTICS

From the Registrar:

In the last ten years Jeeps have gone from strength to strength. Gone are the days when it was the unenviable task of the Third Grade Coach to telephone players or even non-players for days before a game in order that he had a side to take the field. Numbers were short, interest was low and the standards of the teams were, to say the least, unpredictable.

Third grade roll up on a Sunday was often amusing. Players met others who they had never seen before and quite often never saw again, as they drifted into the old Normanby ground, tired and bleary-eyed, but anxious to make up the numbers. It must be remembered that in those days to play at 12.30 was considered early and often an imposition on the leisure time of somewhat less dedicated players than we have about us today. It is doubtful that many considered the possibility of what we saw this year — namely, the Fifth Grade assembling at 9.30 for a 10 a.m. kick-off. The fragile condition of the players remains the same but the point I would like to make is that very little telephoning needed to be done. Coach Dick Farquhar arrived at Ballymore to find more than adequate numbers ready and waiting for their week-end exercise.

Many of the fifth graders were regular trainers and they helped boost the numbers at Finsbury on Tuesday and Thursday nights to record levels which are a far cry from the days when it was an exceptional night when over twenty players trained.

This resurgence of interest has provided us with excellent results in the last few years.

U19's and U18's have been finalists and in the open grades we provided four Grand Finalists in 1974 and three in 1975, including a well earned but previously elusive second grade premiership.

During the year, excluding fifth grade, 104 players took the field in the open sides, scoring between them 409 tries, surely an indication of the open game Jeeps are renowned for playing. Unfortunately, of these only 184 were converted — less than half, and had more been slotted, perhaps the figure of 73 wins in all grades would have been bettered. Only 12 games were lost during the year and 4 were drawn — figures which exhibit the overall consistency that the Club sides showed.

Another feature of the 1975 season is that a greater number of players are continuing to play on into their late 20's and early 30's. In the previous history of the Club it has been conceded that only three players had managed to play more than 200 games, which means a playing span of at least ten years. These were David Clark, Ivor Colquhoun and Dick Roberts. This season saw Eddie Kann make it, with Ross Mortimer and Buff Thomson certainties in 1976, whilst Jack Evans, David Park, Dugald Clark and Lloyd Graham could do it in 1977 or 1978.

It is good to see players staying on in the game, using their knowledge and experience for the benefit of the younger members of the Club. What it must mean for some of the newer members to have a season in either our third or fourth grade teams of the last few years. If, like in some overseas countries, an "Over 30" competition was introduced, we could draw from

our current playing members a side which would acquit itself extremely well. (See November Gazette).

As far as individual points scorers are concerned, it can be seen that this year four players achieved over 100 points for the season, with Peter Garbutt (33) and Louis Mackay-Payne (25) managing the feat with tries only. Dugald Clark and Peter Stanton did so with superior kicking as well. The feats of Garbutt and Mackay-Payne are remarkable when it is noted that in 1964 Barrie Munro won the highest try scoring club award with 9. This year no fewer than ten players scored over 10 tries.

It is not possible to mention all the notable achievements of the 1975 season or, for that matter, of preceding years. We do have records which date from 1964 but information prior to this period is rather sketchy. If there are members or former members who have records, photographs, programmes or even memories, who would be interested in providing them to the Club in order that we can compile a detailed history, then we would certainly welcome to hear from them.

FIRST GRADE REPORT -- D. CLARKE

The 1975 season for 1st Grade at first glance looked to be disappointing, if one thinks in terms of Grand Final success. After all, this is the end result every team strives to achieve, the culmination of a season's dedication and hard work. Probably, unfairly, it is the standard by which most teams are judged — on that one performance alone.

But let us cast our minds back through the season and try to evaluate what we did achieve.

Firstly, I would like to express my appreciation to all players who played under my coaching, for their unbending dedication to the job at hand — for their friendship and help during 1975, and for their ability to absorb and accept the criticism levelled at them by me, but, more importantly, to come back fighting and prove me wrong and not to pack it in. To the Professor for his enormous help in preparing my players' minds to the level that injuries were mostly forgotten, and to Bill Alvers for his expert knowledge on how to condition a team to such an extent that he literally had them eating out of his hands (or was it stripping?).

Sure, we didn't win the Grand Final — but I think our record showed that we were worthy of our position.

Of the 22 games, we lost the first 46-16, 16th 15-14 and the 22nd 20-6. The other 19 games we won. Some we won very well, playing magic football — some we just won, playing bad football, but still won. This shows to me, we at all times had the measure of our opponents, and the ability to control the pattern of play. We won the Horsley Cup, beating Brothers 15-4, just lost the Welsby Cup 15-14, and had the honour of being the first team to the Grand Final, beating Brothers 37-15.

We played a style of Rugby that was most entertaining and enjoyable for both player and spectator and, although it was so, I feel 10 man Rugby or 8 man Rugby must be given first consideration as it is at this point the game is won or lost.

It has been said that Rugby is an amateur sport and played for the enjoyment of all. Above all, the game is the thing. As a coach, I find it very hard to swallow that "crap". To me, winning isn't everything — it's the ONLY thing, and I would now like to record a few observations for training and playing standards.

Obviously, the amateur approach is dead. Owen Edwards said to me 14 years ago, "Just because we are amateur, doesn't mean we cannot approach the game with a professional mind." We continued that belief for years and still have the same feeling. Our approach is too amateurish.

Our season training should be intense. It's not good enough to run "cross countries" night after night with no incentive to improve. Players should have a greater responsibility towards pre-season training and their attitudes will have to change, but I feel the Club should have a responsibility also. We should give incentive — Training programmes without reward are frightfully boring. We should look at the possibility of financing an annual trip to a RUGBY COUNTRY, for the first grade squad only, with better playing standards than our own. Obviously, New

Zealand — not the Far East or U.S.A. where pleasure is more important than the gaining of RUGBY KNOW-HOW. To me this is a waste of money and the pleasures required by most Rugby teams can be won all over the world.

A squad should be instructed under the control of the 1st Grade Coach and an experienced trainer with the idea of being exclusive and an honour to be selected, even at that early stage of the season. Standards of fitness should be set and can be set and recorded. The Rothmans Foundation has done this and is available.

The Club should provide an efficient scrum machine and weight training facilities available not only to 1st's but to the Club as a whole.

Players performances should be recorded properly with regard to progress and if not up to the standards set should be dropped forthwith, irrespective of position or ability, to make way for a player who will perform to the coach's standards. Records should be kept religiously by officials so that the feeling of importance permeates through the players.

Training times should be staggered more dramatically. It is nearly impossible to run a football team with aspiration to win a Grand Final on 1/4 of a football field. I feel the 1st Grade should be training at 7.30 so as to give emphasis to the fact that they are the top team and so get top conditions. These observations are designed to give the status required to get the top players in top condition into the top team and that the status gained, that of a 1st Grade G.P.S. player, is earned and honoured by the Club members.

I feel the Club should, next season, approach the Rothmans Foundation to use our facilities and 1st Grade players as demonstration at a coaching seminar organised by our Club,, whether at schools or at senior level, so as to avail to us the best coaching experts in the country.

Finally, let me say to all players who aspire to 1st grade, and even higher, that all the help in the world will not make it for you. Self motivation, dedication and superb fitness will — if you have the football ability.

DAVID CLARKE

THE SECONDS IN '75 — IT WAS A VERY GOOD YEAR

Apart from the great effort in the Grand Final, one of the most pleasing results through the season was the 44-6 trouncing of Uni. You may have noticed in the programme, the period during the sixties when Uni won 7 second grade premierships in a row, so it was especially pleasing to give them a real touch up.

The team's record for the season speaks for itself. We lost the first game of the season to Brothers, then won 21 games in a row, then were beaten by Brothers again in the 1st semi, then won the Preliminary Final 22-7 and, of course, the Grand Final 34-6.

Now, a few more words about the Grand Final.

Firstly, I do not think any premiership side has won "carrying" both second rowers with hamstring injuries. Then Dick Bernays — obviously wanting to watch the game from the hill — cut his leg, pulled his hamstring and strained something else — throw in Mick Thiess with sympathy pains, Boucher's broken nose and what do you end up with? That's right — 34 points.

A run down —

Pat Moore:

Scored the first try with a great effort, and put the coach's heart in his mouth with an up and under in the goal area in the second half.

Louis Mackay-Payne:

The strongest man in the Club — ask Frank Drake.

Dick Bernays:

Two try Dick — has played 3 grand finals for the coach and has never made a mistake yet.

Dave Blackford:

Probably the best utility back in the Club and a perfect foil for Peter Evans.

Peter Evans:

Bench's defence and goal kicking made a tremendous contribution to our end of season success. Twice he did "shammies" at vital stages of the game — (1) Surfers, (2) Brothers, and both times we scored great tries against the run of play.

Mick Thiess:

Captain for 3 years, a great leader on and off the field. His improved form in August and September also helped to raise the whole standard of the team.

Denis Boucher:

Broke his nose badly against Surfers, and played the next three games, including the Grand Final, and was spotted everywhere. This display of guts also made a great contribution to the team spirit.

Peter Devenport:

A great game in the Grand Final — must have won 90% of all line out ball. Tremendous positional player, and one to watch in the future.

Sean Mowen:

Perpetual Motion. Had a short off form period in the middle of the season, but from then on, absolutely devastating.

Ray Armstrong:

Lost his form a little, late in the season, but found it just in time and played the game of his life in the Grand Final — what a try!

Robin Thomson:

It is not surprising — the way the body is treated — that certain parts don't function the way they used to — and he went into the Grand Final carrying three serious injuries — but exemplified the guts of the side and played the whole game out.

Robin Thomson:

It is not surprising — the way the body is treated — that certain parts don't function the way they used to — and he went into the Grand Final carrying three serious injuries — but exemplified the guts of the side and played the whole game out.

Steve Lonie:

One of the coach's worries after the first semi debacle against Brothers, was the amount of good second phase ball they got, and this we had to stop, and time and time again Steve stopped their ball, and on occasion won it for us. The best forward who hasn't played for Queensland.

Peter Sinden:

A tremendously knowledgeable and talented footballer. A real mauler and a great scrummager and would have benefited from his time with the twos.

Peter Bisset:

A top hooker — with the temperament of an international. Will be a big force in '76.

John Garde:

Did not miss a game for the seconds in 1975. 24 out of 24, and if anyone can be singled out, one of the best players on the paddock in the Grand Final.

To all the others, David Abernethy, Peter Stanton, Denis Cronin, John Shehan, Bill Green, Cal Thomas — thanks for your help.

To our best back, Peter Burrows, who broke his collarbone against Surfers — bad luck.

Thanks to Ron and Wren, Clarkie and Smally.

Bill Alvers — a great effort — we certainly needed a professional trainer and fortunately we got the best. A tremendously dedicated man who was of great personal assistance to me during the season.

Clarrie Schulte — we've got that cup at last — I've got a feeling you know. Sorry Bill wasn't there to help us win it.

Injuries in the higher grades again told heavily against the Thirds, costing us a Premiership because of severe team disruptions late in the season. The Final, lost to Varsity, was a debacle, with 6 replacements during the game - so, if we had made the Grand Final, those 6, plus another 3 previously lost to higher grades, would have not only put virtually a completely new and untried combination on the field, but would have completely disrupted Fourth Grade. However, every member of the Thirds can hold his head high, for the team did the right thing by the Club all season, as regards contributing to the Club Championship, successfully defending two trophies, and assuring full support for the higher grades any time they suffered illness, injury or selection brain-damage.

One can justify the Thirds' performances in many ways, but I think the record will be reflected by the number of players who enjoyed Thirds football this year, who will return to Jeeps next year.

Thanks must go to all players and officials who made the year so successful and enjoyable for us. In particular I would thank Lyn Jones for a good Captain's season, and his "committee" of Jack Evans, Bob Armstrong, Denis Boucher, Peter Daley, for their dedication and support.

Also Doug Forbes and John Madden — thanks for your help. And David Parle, who showed what a great Club man he is — thanks for all your assistance.

Lastly, thank you to my No.1 assistant, secretary, selection critic, tactician, and undoubted No.1 Team Supporter and Believer, Danny.

I hope to see ALL of you next year.

JOHN SMALL

FOURTH GRADE

Since this grade was revived in 1969, Jeeps have traditionally fielded a strong side and 1975 was no exception. Of the 21 games played we lost 1 (to Brothers), drew 3 (Souths twice, Brothers once), and won 17 (including 2 by forfeit), ending the season as minor premiers. However, in the finals, we were not so fortunate — after defeating University 17-6 we were narrowly beaten 12-8 (both sides scoring 2 tries) by Souths.

The Grand Final followed the same pattern as had all our games with Souths this year. They started strongly and went to a half-time lead of 12-0 (4 penalties). We made the mistake of trying to beat them in the backs and it was only in the last ten minutes that we kept the ball in the forwards. We were rewarded with a try under the post by Doug Stevenson that was duly converted by Steve Atkinson and this was followed soon afterwards with a try by Ross Mortimer. Steve was given the unenviable task of trying to convert the try as the siren sounded. Congratulations Souths on a fine performance throughout the year.

It is a measure of our Club's strength that we had 67 people play at least one game throughout the year in the 4ths. Peter Hovey (now on a working holiday in Germany) played 17 of the 21, closely followed by our Captain Eddie Kann with 15 games and top try scorer (11), Steve Trewen (14), John Miles (13), Ross Mortimer, Rod Goody and Doug Stevenson — 11 games, and Tom Baker — 10 games; these being the only players to reach double figures.

Now on to 1976. The Club Selectors will be pleased to note that two of the Club's most vocal lobbyists are leaving for Sydney — Peter Daley (definitely) and the fastest winger in the Club! Peter Renkert (maybe). Ian Hillhouse and "Country" Stanton off to Great Britain on the 9th December — Gary Freebury going North. It is rumoured that one prominent fourth grader is looking for a transfer to another Club, but as this goes to print, the said Club is still trying to decide if it can afford the terms — free strapping for a year. Brian McLenahan seen slipping in the back door of Silhouette! Graham Marshall, Ross Mortimer posing as part-time Uni tutors and seen to be using weights regularly at Uni gym.

Many thanks to Rod Goodey, our busy coach — also to Ron and Wren whom we expect to see next year and all those supporters good enough to come to our matches.

Next year, such famous figures as "Fat Fullback" will try to displace Steve Trewin. Koala Kann and "Sir" Clark are vying for Captain and Ross Mortimer is eschewing us for the thirds (he thinks). Fergus Wilson has recommended Buff stop trying to displace Hector, Buzzard & Co. and also play for us. Buff's reply has been censored.

ANON

UNDER NINETEEN REPORT

THE "A's"

The 1975 season was one of the less successful for the A.s compared with the performance of our "A" teams in recent years.

A total of fourteen competition games were played during the year with the team winning four and being defeated in ten. While not trying to make excuses for the losses, in at least half of the losses, the margin was less than six points. Also during the first round of seven games, the team was hampered by the absence of a reliable goalkicker. We must also bear in mind that, of the regular team members in the A's, seven were still under eighteen and accordingly the experience gained by them during the 1975 season should be reflected in improved performances during the 1976 season.

There existed within the team a strong comradeship and the spirit never flagged, despite the losses. If there is a criticism of the team to be made, it would be in regard to their casual approach to training. A more dedicated training effort may have converted those marginal losses to victories. A number of the players have the individual ability to perform well in the open grades provided they are prepared to discipline themselves to the demands of training and competition.

The top pointscorer was Ross Stallman and the top try scorer was Eric Faulkner with seven tries. The following players were awarded trophies:

Best and Fairest Player	Tim Kennedy
Best Back	Ross Stallman
Best Forward	Simon Kennedy

Blair Atthow and Ross Stallman gained State representation with the Queensland Under Eighteen Team.

The following were regular team members — Rick Whitton (c), John Sackson, Paul Baynes, Mike Murphy, Eric Faulkner, John Allen, David Burrows, Ross Stallman, Rob Jones, Tim Kennedy, Richard Lyne, Bill Wilson, Blair Atthow, Marshall Lean, Paul Kesby, Ken Bolton, Simon Kennedy and Ed Given.

THE "B's"

After an unsettled start, due to the absence of a coach for the majority of the first half of the season (unfortunately Tony Wesley was transferred to New Zealand), the team settled down under the expert guidance of Mark Asprey and Glen Arundel, to turn on some exciting performances. Unfortunately they were just edged out of the final three by Q.I.T.

The team was well captained by David Hamilton who also proved more than a match for all the other hookers in the "B" Division.

David and Shane Richards shared the goal kicking responsibilities and "slotted" their fare share. John Lynch, Russell McArt and Warren Edwards were outstanding performers in the forwards while Peter Huybers, Rob Jones, Hugh Fraser and Alan McGuire had consistent performances in the backline.

The following players were awarded trophies:

Best and Fairest
Best Back
Best Forward

David Hamilton
Alan McGuire
Warren Edwards

Regular team members included — David Hamilton (c), Hugh Fraser, Shane Richards, Fergus Nicholson, Alan McGuire, Rick O'Sullivan, Rob Jones, Peter Huybers, Greg Millifont, John Lynch, Bruce McGuire, Warren Edwards, Russell McArt, Rob Eacott, David Buck, Andrew Milne, Greg Beavis, David Finney, John Angus and Peter Archos.

We look forward to all members of both teams continuing their playing careers with G.P.S.

REPORT FROM ASCOT-CLAYFIELD

Leslie Dodwell, President of the Ascot-Clayfield Junior Rugby Union Club reports that 1975 was the Club's most successful year — and to watch their junior Teams. We had 10 teams in the Q.J.R.U. Competition from under 7 to under 12.

Eight teams made the Semi-Finals, 6 teams the Finals and 4 the Grand Finals, namely our under 8B, 9, 11A and 12A. It was a wet day and our teams in the top age groups did not adapt themselves to the wet conditions and lost — the under 9's 22-Nil, the 11A 3-Nil and 12A 18-Nil. But Gary Ferguson's mighty under 8 Mini Team brought honour to our Club by winning their Grand Final Premiership 18-Nil. Congratulations, Gary, on your team's splendid effort and your sportsmanship in giving every boy in your team a game. This is Rugby spirit at its best. Cheers for our under 8B Minnies. It is interesting to know that all our teams scored more points during the season than against them, the results showing 2270 points for our teams against 807 — really a grand and wonderful record. (Details below.)

Team	For	Against	Team	For	Against
7C	142	140	9	304	40
7B	254	28	10	137	12
7A	452	228	11A	214	20
8A	228	156	11B	59	36
8B	312	48	12A	168	99

Our sincerest thanks to Jeeps Players Lloyd Graham, Ian Whittle, John Miles and others who did so much to help obtain the above results. (Details of Coaches below.)

On our Prizes and Sports Day, we were happy to have President David Lacy Jones present the under 8B prizes, Pennants and Premiership Pennants, and he was really proud of his grandson David MacAndrew who was an 8B forward and this team was undefeated all season. Gary Ferguson, old Southport boy, was coach. Graham Brand did a good job of presenting three special Trophies donated by Jeeps to three under 7A boys who scored over 100 points each during the season. Brian Garnsey was coach.

Coach Details:

Under 7A	Brian Garnsey	C.E.G.S.
Under 7B	Graham Clay	Brisbane Grammar
Under 8A	Ian Whittle	Brisbane Grammar
	Dugald Pie	Southport School
Under 8B	Gary Ferguson	Southport School

Under 11A	David Laidlaw	Brisbane Grammar
Under 11B	Bill Dingle	C.E.G.S.
	Kevin Masters	State High
12A	Arch Winning	Brisbane Grammar

Of these 12 ex-G.P.S. School Players, 8 have played for Jeeps.

Remember, Jeeps, these mighty Minnies could be Wallabies one day!

TREASURER'S REPORT — R. A. Anderson

I present for your consideration and adoption the Club's audited Balance Sheet and Income and Expenditure Statement for the year ended 31st October, 1975.

The Club suffered severely from major increases in many costs during the year. These increases not only added considerably to the expenses of providing and maintaining the Clubhouse and equipment but also prevented any greater returns from trading and raffles. This trend has continued since the end of the 1975 season and appears likely to lead to further cost increases during 1976.

It is extremely disappointing to see that members subscriptions again are very low. With the many projects in which the Club is now engaged, failure to pay the small amount that is set for the annual subscription results in a severe financial strain on the Club's resources. You are asked to ensure that your 1976 subscriptions are paid as soon as possible. Any member of the Committee will receive your payment so do not think that you must wait until the start of the Season.

The Tour Fund Reserve of \$103 was paid to the Overseas Tour Committee to provide for the proposed tour.

Congratulations to the Ladies' Committee for their untiring efforts which allowed them to contribute \$900 to the Club's funds during the year. At the suggestion of the Ladies' Committee this contribution was used to purchase and install the Glasswasher in the Club Bar.
